Dear Mother,

That's the question, possibly I may not be able to get into an Infantry Regiment and in that case should have to join a Transport Regiment such as the A.S.C.

I shall want a return ticket form for Friday morning as I may be able to get away on Friday evening. I am afraid Percy will not be able to spend his holidays with me this time. I was third in music exam. I don't think I'll send my box in advance as it will have everything in and possibly might burst open.

I'll stay at home for about a week. Perhaps it might be better to get single form and then I could have a return one from Wolverton to Euston and back.

I feel a lot easier in my mind now that I've decided to join.

Lewis
