Dear Mr Nevitt,

Many thanks for the permission to use material from all change in my radio interview. It is a bit disappointing because I hoped to get the one from Stafford to Euston on as well as the Refreshment Room Song. I said a lot more too about "All Change" but I suppose it had to be edited out to fit the time allowed. They did me a cassette recording, and also one for you which I enclose.

With best wishes

Yours sincerely

Wilbert Awdry
