

## ACT 1 Scene 7

MERRY LIGHT PROGRAMME TYPE MUSIC, WITH VERY PERIOD BBC VOICE THROUGH THE P.A., WHILE THE ATTWELLS TAKE UP A FROZEN POSITION IN ONE CORNER OF THE SET, ALMOST AS IN A SOVIET POSTER.

BBC VOICE: Bletchley's first 'settlers' from London under the assisted expansion scheme arrived in the town on Tuesday. They are Mr and Mrs AL Attwell from Acton who have the key of the door to No 3 St Andrew's Road. Looking out of the door of their first ever home, across the churned-up land that will be their garden to the other houses in every stage of erection, they thought they were thrilled with their house and full of praise for the local council.
